Sorry for getting back to you so late - I was in Pittsfield Superior Court all day Tuesday and spent most of yesterday driving to and from Orange District Court. As for the [REDACTED] case, I already had March 15th scheduled on my calendar and I am still available, so that shouldn't be a problem.

Hi Sonja,

This case is scheduled for trial on March 15, 2010. I am in the process of trying to get defense counsel to either plea, or stipulate that the drugs were what they tested as, marijuana and cocaine, but wanted to check your availability in the event he will not. I know I had spoken to you in the past about this, but not sure if I ever gave you the date of March 15th. If this is not ok, please let me know so I can talk to defense some more and figure out which way we are going to go.

Thank you  
Jeff Bengtson
